**Reporting Ministry-Related Sexual Abuse of a Minor**

— All cases of alleged, known or suspected ministry  
related sexual abuse of a minor must be reported to the  
proper civil authority. Any person having actual  
knowledge of, or reasonable cause to suspect an incident  
of ministry related sexual abuse by any church  
personnel of the Diocese of Charlotte is to immediately  
report the incident to the Chancery, unless to do so  
would violate the Sacrament of Penance. The Chancery  
will then report the incident to the proper civil  
authority. After notifying the proper civil authority, the  
Chancery will immediately notify the Assistance  
Coordinator, the Promoter of Justice, and the Review  
Board. Following this, the individual reporting the  
incident to the Chancery will be notified of the  
particulars regarding the filing of the incident with civil  
authority. This reporting requirement is not intended to  
supersede the right of a victim or witness to individually  
make a report to public authorities, but is to ensure  
proper, complete and timely reporting to the proper civil  
authority. At the time of reporting, the diocese will  
request to be kept informed as to the progress of that  
authority's investigation. Should an individual choose  
to make a report to civil authorities, the requirement to
